Dear Mr. Infeld:

Upon my return to the United States, I would like to tell you how much I enjoyed our recent association at the Pugwash Conference.

We do not always agree but I like the gentle way you make your points and I always enjoy discussing with you.

With every good wish.

Sincerely yours,

  
Henry A. Kissinger

Dear Mr. Kissinger,

It was a great pleasure to receive your letter.  
I, too, enjoyed our meeting and hope that we shall  
have further opportunities to agree and disagree.  
Perhaps before long we may meet here in Poland.

With best wishes,

Yours sincerely,

Leopold Infeld
